PROFESSIONAL SUMMARY

Motion designer and 2D animator with 9+ years of freelance experience and 6+ years in high-volume professional production. Specializes in turning complex ideas into clear, engaging animation for education, marketing, and digital platforms — with deep expertise in character rigging, motion graphics, compositing, and visual storytelling.

PROFESSIONAL EXPERIENCE

- Senior Motion Graphics Designer / 2D Animator** | *Pixorize* **2019 – Jun 2025**
- ▶ Contributed to 800+ published educational animation videos simplifying complex medical and scientific concepts for global learners.
 - ▶ Prepared and optimized Photoshop assets for Spine 2D, built character rigs, and created idle, action, and expressive animation sequences.
 - ▶ Composited scenes in After Effects using characters, icons, typography, effects, and audio while maintaining visual consistency and accuracy.
 - ▶ Collaborated remotely with illustrators, scriptwriters, editors, and creative leads to meet production schedules and quality standards.

- Freelance Motion Designer & 2D Animator** | *Upwork & Direct Clients* **2016 – Present**
- ▶ Completed 35 Upwork jobs and 2,600+ tracked hours, maintaining a 5.0 client rating across 26 reviews.
 - ▶ Created explainer videos, educational animations, video ads, logo animations, kinetic typography, promotional content, and social media assets.
 - ▶ Managed projects end-to-end — creative brief, asset preparation, animation, revisions, rendering, and final delivery for international clients.
